INVENTOR**

Assistant Commissioner for Patents

Sir:

This communication is responsive to the Office Action mailed September 9, 2004, in which the PTO incorrectly states that the inventor is Victor Eli. My correct name is Victor Eli Velázquez. Eli is my *middle* name; my true last name is Velázquez. Since the application papers contain my correct name, I understand that the PTO is in error. Thus, I request that the PTO correct the name of the inventor in its docket and future communications.

Respectfully submitted,

Victor E. Velázquez
